CASTROP 3 Feb 1966

2. I started the business conversation by passing my Blue #33682 on the Hans Joachim Rechenberg/Richard Christmann case. I also gave CASTROP a briefing on the numerous conflicting reports we have received on the relationship between the two men. I asked CASTROP to study his files again and try to determine just how closely the two men were connected and why Rechenberg keeps pestering Christmann now. CASTROP said he would do so. I have sent out MUNI 5127 on this.
